

Tacoma Waldorf School's 2012 Annual Gala & Benefit Auction
"Lighting the Way"
March 31, 2012 at The Landmark Convention Center

Thank you to all of our generous donors, sponsors, and attendees that helped make our 2011 Annual Gala & Benefit Auction "Grow Our Dream" a great success! Over 175 guests attended the auction and a total of more than \$42,500 was raised.

The Annual Gala and Benefit Auction allows Tacoma Waldorf School to continue to keep tuition affordable for families and Waldorf education accessible to those who seek it. The success of our annual event depends on the generosity of our supporters and sponsors.

Tacoma Waldorf School has been inspiring lifelong learning in its students since 1995, providing an education that engages the head, heart, and hands. Tacoma Waldorf School's unique educational approach is designed to awaken the true potential of all of its students, developing personally responsible, independent, and creative human beings.

This year we will hold our Annual Gala and Benefit Auction at The Landmark Convention Center's Grand Ballroom. Festivities will include an evening of dining, plus a silent and live auction with Auctioneer Laura Michalek.

We invite you to participate in the Tacoma Waldorf School 2012 Auction through a generous donation. Donors' names and donations will be prominently displayed at the auction and featured in the auction catalog. Sponsorship opportunities are available upon request.

All donations made to the Tacoma Waldorf School are tax deductible as permitted by IRS regulations: 501(c)(3) non-profit, Tax ID# 91-1569114. We thank you in advance for your consideration in supporting Tacoma Waldorf School's fundraising efforts.
