

Engineering Camps at the Tacoma Waldorf School

hosted by Play-Well

Pre-Engineering Ages: 5 to 7

Have your child become a Play-Well Engineer! Students will build cities, bridges, and motorized cars/planes and explore the many creative possibilities of engineering with the LEGO® system. With access to over 100,000 pieces of LEGO, your child will have the opportunity to build what they have only dreamed of with the support of an experienced Play-Well Engineering instructor to guide them.

July 11th - July 15th, 2011

Day(s) Mon-Fri

Time 9:00am - 12:00pm

Engineering FUNdamentals Ages: 8 to 12

Have your child become a Play Well Engineer! Students take on real-life engineering challenges that explore concepts in physics, architecture, mechanical and structural engineering with over 100,000 pieces of LEGO® material. From racecars to Battletracks, this is a hands-on and minds-on program suitable for LEGO novices to “maniacs.” Designed by engineers, the curriculum challenges both new and returning students to reach the next level of engineering comprehension all while having fun.

July 11th - July 15th, 2011

Day(s) Mon-Fri

Time 1:00pm - 4:00pm

Camp Price is \$175/week.

Please email the office if you are interested in this camp. We will receive registration forms from them shortly and will forward them to interests I receive as soon as we get them.
